Find JOY in the Simple Things.

Deb Strain

THERE IS SO MUCH INSPIRATION IN NATURE! FROM THE INTRICATE PATTERNS ON BUTTERFLY WINGS TO THE GEOMETRIC STRUCTURE OF A HONEYCOMB, NATURE TRULY PROVIDES AN ENDLESS SUPPLY OF IDEAS. THIS GROUP HAS COMBINED MY LOVE OF NATURE WITH PEN AND INK DRAWINGS, AND HAND-LETTERED QUOTES. IT COORDINATES WITH MY PAST GROUP, BEE CREATIVE, IN THEME AND COLOR. AS WITH THAT SPECIAL GROUP OF FABRICS, I HAVE PAIRED VINTAGE AND MODERN COLORS TO PROVIDE A RICH, PRETTY LOOK TO THE THEME OF NATURE AND BEES.

I HOPE THAT YOU WILL "BEE INSPIRED" TO CREATE "BEE-U-TIFUL" THINGS!

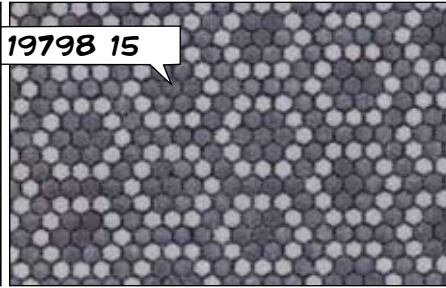

SEE ADDITIONAL "BEE INSPIRED" QUILT PATTERNS BY COACHHOUSE DESIGNS ON THE EXTRA PATTERNS PAGES.

Paints and Brushes are used with her superpowers for creating colorful textiles!
