

# Marchés de Noël

## 3 Sisters

## There is frost on the windows

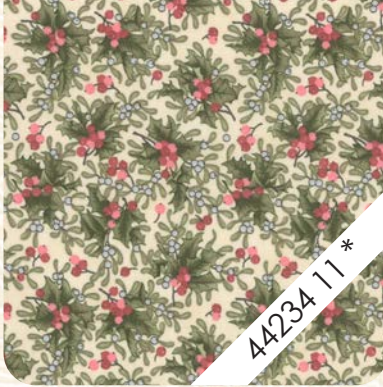

and a fire in the fireplace, brown-paper packages under a tree sparkling with lights, cups filled with steaming hot cider and a holiday playlist of carols streaming from the mini wireless speakers. It's Christmas with the 3 Sisters – classic with a bit of modern.

Paisleys, poinsettias, holly and tiny flowers mix with a vintage-inspired collage print to create Marchés de Noël. The colors are shades of red, green and cream, with a bit of aqua mixed in because the 3 Sisters like a bit of unpredictability. That's what makes their style so distinctive – for quilts, accessories and home décor.
