Life and love are very precious when both are in full bloom.

- Louisa May Alcott, Little Women

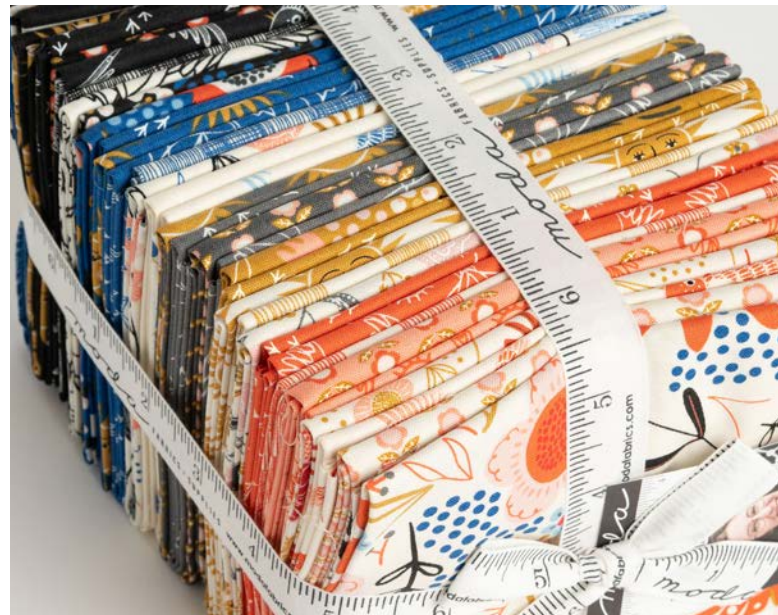

When I created collection, I imagined that the illustrations and prints would transport you to a warm, flourishing, uplifting world where you felt rooted in your purpose.

I hope you feel immersed in sunshine, that you can hear the birds in the distance chirping their morning song, that you can visualize the season where the cherry blossoms begin to bloom. Imagine fields of vibrant flowers, soaking up the warmth.

I look forward to seeing how Birdsong inspires you to take flight!
- Stacie
