

# LITTLE DUCKLINGS

## Paper + Cloth

**W**e are a UK print design and illustration studio, producing charming, quirky and original art. We love to draw, armed with boundless imagination, fantastic illustrators and an eye for a good graphic, we love to create new characters and prints, influenced by the latest graphic trends.

Founded in 2008 by Jennie Rivers, we are a small team of hugely talented illustrators working in-house. Each designer represents their own unique range of skills and techniques.

Whilst many of our clients are big, we like to keep it small. Keen to ensure we always stay true to our values, keeping it personal means we can continue to be proud of the art we produce and the thought, research and detail that goes into our work.

Our designs have been used on cards, clothing, stationery and branding. Our clients include Anthropologie, Crate & Kids, Boden, M&S & Pottery Barn Kids amongst many others.

# LITTLE DUCKLINGS Paper + Cloth

**C**harming. Imaginative. Whimsical. Deftly mixing soft, soothing colors with original artwork, Little Ducklings is the new palette for creating quilts and accessories with a modern feel. Little ducklings tended by their mamas mix with floral bouquets and foliage springs; there are duck walks, dandelions and moon prints, all in warm shades of white, gray, blue and mustard. With quilting cottons, a cotton canvas blanket and double-gauzes in solid colors, Little Ducklings has no limits on the magic it can create.
