

Red, White and Bloom

Deb Strain

Our country has many wonderful ways to celebrate it's heritage. Fireworks, cookouts, parades, anthems, and of course, flowers! Most of our celebrations occur in the summer, so flowers fit right in. "Red, White and Bloom!" embraces everything Americana...flags, stars, inspiring words and even red cardinals. Rich colors and traditional icons are featured for those looking for classic patriotic fabrics, with softer flowers and birds also included for a new approach. This collection would be perfect for your next patriotic project...just plant the seeds and watch it BLOOM!
