

Starflower Christmas

CREATE *joy* PROJECT

Starflower Christmas will take you on a journey into my favorite bits of the holiday season! Poinsettias are the focal point of this fabric collection because I love what they represent. Known as the Christmas Star, poinsettias are December's birth flower, and they symbolize good cheer, success, merriment and celebration!

To compliment these striking blooms, there are cheerful berries and holiday greens, atmospheric icy skies, magical snowflake flurries and pines standing tall on the mountainside as a signal of strength against the storm. All of these designs are in a lovely modern color palette, perfect to add extra cheer this year!

The star of the show is my Joy To The World panel which speaks the most important message I can share with you at Christmastime. I hope we can feel the Joy of the season, with the help of my fabric line Starflower Christmas, for Moda Fabrics.
